

How to Join the DelynMFC forum

Click on the end of the sentence that brought you to this page.

When the forum log in page opens, you will need to join the first time you visit (otherwise you will only be a 'Guest'). Just click on the 'Join (free)' text at the top of the forum page. The red arrow (it has to be a Red Arrow doesn't it!!) on the picture below shows where it is.

Follow the instructions, you will have to provide a user name and a password- both are your choice.

When you have done this you will be able to 'Log in' as a user for the remainder of this, and subsequent, visits. The green arrow in the picture shows you where to do this.
